This unique annual award was created to recognize and honor a GAADE member who consistently demonstrates the purpose and ideals of our chapter. The award is named to commemorate Patricia Babin, a founding member of the GAADE chapter. Patricia was a young, dedicated diabetes educator who was killed in a tragic accident shortly after the chapter was formed.

This award will cover the registration fee for the AADE National meeting and reimbursement for roundtrip airfare (coach) to the national meeting.

. The GAADE Board of Directors encourages all members to take advantage of this special opportunity.
